FIVERS and Gianni & Origoni advise on the financing of a biomethane plant in Lombardy owned by Green Arrow Capital

Milan / Rome, 15 September2026

The financing, a **EUR 20 million** green loan structured on a project finance basis to fund part of the plant's construction costs, was provided by **Banca Monte dei Paschi di Siena S.p.A.**, acting as mandated lead arranger, lender, account bank, facility agent and hedging bank, to Energia Verde Lombarda Società Agricola S.r.l., as borrower and a member of the **Green Arrow Capital** group. Green Arrow Capital is a leading independent financial operator active in private markets and alternative investments in Italy and among the leading players in Europe, with EUR 8 billion in assets under management. The Group operates across seven investment strategies: Private Equity, Energy & Digital Infrastructure, Private Credit, Opportunity Capital, NPL, Client Solutions and Real Estate, with 31 funds and seven client solutions products, as well as dedicated and independent teams in Energy & Digital Infrastructure, Private Equity, Private Credit and Real Estate.

FIVERS Studio Legale e Tributario advised Banca Monte dei Paschi di Siena S.p.A. throughout all stages of the financing transaction, including the structuring of the financing and the drafting and negotiation of the finance and security documents, with a team led by **Maria Teresa Solaro,** partner, and comprising **Teresa Florio**, senior associate, **Andrea Oddo**, associate, and **Marco Balzano**, associate. Tax matters relating to the finance documents were handled by **Francesco Mantegazza** and **Andrea Brambilla**, both partners. The due diligence team, led by Maria Teresa Solaro, included **Sergio Fienga**, partner, and **Jaime Guiso Gallisai**, senior associate, for regulatory and administrative law matters. The remaining aspects, including the review of the project documents and the biomethane purchase agreement, were handled by **Teresa Florio**, senior associate, **Marco Balzano**, associate, **Francesco Boccacci**, associate, and **Maria Rita di Mauro,** trainee.

Gianni & Origoni advised Energia Verde Lombarda Società Agricola S.r.l. and Green Arrow Capital with a team led by **Raffaele Tronci**, partner, and **Maria Panetta**, of counsel, assisted by **Filippo Andreoni,** senior associate, and **Filippo Verducci**, associate, on the negotiation of the finance documents, and by **Francesca Staffieri**, partner, and **Claudia Stradiotti,** associate, on tax matters.

MFZ & Partners advised Energia Verde Lombarda Società Agricola S.r.l. and Green Arrow Capital as financial and model adviser, with a team comprising partners Luciano Garofano and Federico Ceruti, senior associate Antonio Esposito and senior analyst Leonardo Sgarra.

BIT and AON acted as technical adviser and insurance adviser to the transaction, respectively.

Notary **Gianluca Festa Ferrante** handled the execution of the notarial deeds relating to the financing agreement, together with the related preliminary and completion formalities.
